

HEADTEACHER'S DECEMBER NEWSLETTER

Dear Families,

The last few weeks of the term have focused on our Christmas preparations and celebrations, which you have hopefully been able to share with us. Of course, as well as celebrating Christmas, the children have continued to work hard and apply themselves to their learning. The children were able to demonstrate their positive attitudes and share aspects of their learning with the HMI inspector, in our recent inspection. We expect to receive and be able to circulate our inspection report when we return in January.

PTA Support

There has been a considerable amount of support from the PTA in preparing for Christmas. Two very successful events have been run, the shopping evening and the Christmas Fayre. Both events had a great community spirit, were enjoyed by many as well as raising money for the school! The PTA have also supported at the Christmas lunches, subsidised the pantomimes and are preparing the Christingles. Thank you to the PTA committee and to everyone who have support these events.

Christmas Productions

Across both sites, there were six Christmas performances. All were performed superbly and of course there were the traditional mishaps! Well done to the staff for their patience and determination to put on great shows! The children were brilliant and brave to perform in front of large audiences and their singing was particularly good this year.

Christingle Services at Warfield Church

St Michael the Archangel, Church Lane,
Warfield, RG42 6EE

Warfield Church will be welcoming us tomorrow for our annual Christingle Service. This year we will be holding two services one for each school site. Parents are very welcome to join us for the services.

Finally, we would like to wish all the children, families, staff and governors a very happy Christmas and prosperous New Year!

Best wishes,
Mrs Jenkins and Mrs Kennedy
